

GENERAL PRACTITIONER TASMANIA

(HOBART)

The Practice

Our client delivers medical care through four medical practices in Southern Tasmania including After Hours Doctors.

The principles underpin their philosophy, practice profile and the way we act and look after patients and the community. They are innovative and invest in a quality working environment and highly value the staff to the benefit of patients and all personnel. Value the reputation and credibility which encourages and complements outstanding quality of service delivery, convenience and accessibility.

The Position

Are you a General Practitioner looking for a change?

Our client is a well established practice with a few clinics in Hobart so they can offer a great choice, including our new CBD practice. The general practice services include travel medicine, skin diagnosis and treatments. They have an attractive package for a permanent GP position, or get a taste of Hobart in a locum placement role. Commencement available this month.

Don't miss this exciting and rewarding opportunity!!!
