

REGISTERED NURSE TASMANIA

The Practice

Our client delivers medical care through four medical practices in Southern Tasmania including After Hours Doctors.

The principles underpin their philosophy, practice profile and the way we act and look after patients and the community. They are innovative and invest in a quality working environment and highly value the staff to the benefit of patients and all personnel. Value the reputation and credibility which encourages and complements outstanding quality of service delivery, convenience and accessibility.

The Position

An opportunity has arisen for a Registered Nurse. Not just any nurse. Someone who is friendly, well presented and willing to respond to our patients' needs while supporting your fellow colleagues.

You will have previous experience in working in a general practice environment and will be willing to assist with reception duties when necessary.

To apply, or for further information please contact Drs. Erik Koldenhof Ph: 0031-6-21826582
